

Why Lavender Oil?

100% pure and natural lavender oil produced in Greece and Bulgaria at locations with high altitude for optimal results.

Sustainable production system with respect to the environment and our planet. Our oils are eco friendly and produced with the ecosystem in the center of all. No chemicals used.

Best product quality is achieved by using special plants, carefully curated to produce the highest possible quality of lavender oil.

Our production meets all the International set quality standards and is safe for everyday use.

Aetherial

Top quality 100% pure and natural lavender oil with pharmaceutical grade quality

Our Lavender oil is produced exclusively from the plant “Lavandula Angustifolia” with every step of the process, from plantation to distillation and packaging, closely monitored by field experts with years of experience to achieve the same top premium quality in every batch.

What can Lavender oil do for you?

Relaxation

In your quest seeking relaxation and a pain free day Lavender oil can be one of your greatest allies. Lavender relaxes our nerves and helps battle mild headaches.

Perfumery

Lavender has long been one of the basic ingredients in perfumery. Its characteristic sweet fragrance is vital to many perfume mixes for optimal exceptional results.

Mist Spray

Mix a few drops of Lavender oil with plenty of water in spray bottle to mist and freshen all your clothes, linen, and carpets and let the sweet relaxing aroma comfort you.

Air Freshener

Add Lavender Oil to a household diffuser and let the fragrance permeate the room and fill it with its relaxing and soothing effect,

Soap Making

Lavender is one of the greatest ingredients for soap making because of its antibacterial properties and its unique and exceptionally pleasing aroma.

Candle Making

The unique pleasant fragrance of Lavender oil combined with its relaxing properties makes it perfect for candle making.

Battle Insomnia

Lavender oil greatly helps with battling insomnia. Its relaxing properties greatly help you get a good sleep. Mist spray your pillow and witness the results.

Cleaning

With its antiseptic and antifungal properties Lavender oil can help you keep a clean and mold free house. Just add a few drops in your cleaning supplies, so simple.
